## ABOUT

Senior Mobile Application Developer with around 2 years of experience in software development lifecycle (SDLC) including analysis, design, development, and testing, deployment, and documentation. Experience in Mobile Application Operating systems like iOS and Android. Skilled, motivated, and product-oriented mobile application developer with strong UI and UX design skills. Inquisitive and Highly-motivated software engineer, with strong web and mobile application skills. Forward-thinker by nature and loves to code. Spends most of my time learning and experimenting with anything that looks promising.

## EDUCATION

**Bachelor in Software Engineering (BSSE) | Department of Computer Science**  
(2016 – 2020)

I have successfully completed my Bachelor's Degree in Software Engineering from the University of Karachi. This experience was a journey that will be forever etched in my memory.

**Certificate Course (Saylani Mass Training Center Program)**  
(2017 – 2019)

HTML, CSS, Bootstrap4, JavaScript, GitHub, React.js, Redux, React Native and node.js

**Certificate Course (PIAIC)**  
(In-Progress)

Artificial Intelligence and Computing
